"...if you have faith as small as a mustard seed you can say to this mountain, 'move from here to there,' and it will move and nothing will be impossible to you."

Matthew 17:20

Mountains Are Being Moved at the Mustard Seed!

With faith as small as a grain of mustard seed, mountains are being moved at The Mustard Seed. Each day, The Mustard Seed’s ministry is growing and touching the lives of adults with developmental disabilities; however, there is always a need to touch more lives. For quite some time, the Day Program and the Group Home Programs of the Mustard Seed have been at capacity due to space, but that is soon changing.

The Mustard Seed’s new Workshop is now completed and remodeling has begun to add an additional Activity Center. The over-6,000-square-foot additions will give the Seedsters and staff new spaces which will include more kilns for firing ceramics, a classroom for exploring clay projects prior to painting, inventory and mold storage, two safe rooms, a library, a screen porch for enjoying the Mississippi outdoors and much more. Not only will these new spaces give The Mustard Seed more space to carry on its mission of providing meaningful activities to adults with developmental disabilities, but it will also allow the addition of new Seedsters to the program.

The Mission of the Mustard Seed

The Mustard Seed is a Christian community for adults with developmental disabilities. Founded in 1981 to meet the spiritual, physical, emotional, and intellectual needs of adults with special needs, the Mustard Seed provides a loving and protected environment with meaningful activities which allow the “Seedsters” to fulfill the potential God has created within them.
As you enjoy reading each article in our annual edition of Branches, I know you will rejoice with me in how our Heavenly Father has blessed the Mustard Seed as we continue to provide a loving, Christian community for each individual served by our program. We have no doubt come “Full Circle” from the beginning, when a small group of individuals who had the wisdom and faith in God started the Mustard Seed. Today, the mission of the Mustard Seed is being met by our faith as we work together and continue to provide for the individuals we serve.

From our beginning with a small group of parents, friends and volunteers and their faith as small as a grain of mustard seed, we are moving mountains, thanks to each of you. As you may know, when that group expressed concern over how they would never be able to accomplish their goal financially, Ruby Bryant, (see “Full Circle”) prayed and quoted Matthew 17:20 in her prayer; and so the name Mustard Seed was born.

Just last month, a group from eastern Alabama spent the day with us to see “how big this mountain is” that they want to move in their area. This was not the first time that individuals in other states have contacted us for advice on how to start a similar ministry. The reputation of our Mustard Seed is spreading, and we understand that we have something here that is unlike what is available in many other places.

In the early years, our Bells of Faith hand bell choir rang their joyful music for church, civic and other groups. And from that beginning, we now have two group homes housing 18 residents, each home with group home parents living as two large families. In addition, we have 25 day clients along with our 18 residents enjoying a large activity and art center. The newly remodeled gift shop and office building is at the center of our campus. With the new entrance and parking completed in the near future, we look forward to future growth as God provides through each of us.

I am proud to be serving as the Executive Director of the Mustard Seed and to be associated with our staff, families, trustees, donors and volunteers, all of whom are such a significant part of our ministry.

Be a Part of Something Special – Join the Mustard Seed Auxiliary

The Mustard Seed Auxiliary is a great support to the Seedsters and staff as they volunteer to help at Mistletoe Marketplace and Christmas Open House, as well as other special events and fundraisers. The Auxiliary hosts receptions to say thank you and organizes fundraising events such as High Tea and the Annual Christmas Wreath raffle. The money raised through the Auxiliary helps the Mustard Seed to purchase special items which enhance the program and ministry. To join the exciting Mustard Seed Auxiliary or for more information, please contact Membership Director, Cheryl Giordano at csg14a@aol.com.

Please consider joining the Mustard Seed Auxiliary for the New Year to help bring love, joy and leadership to the Seedsters.

But Now, O Lord, thou art our father; we are the clay, and thou our potter; and we all are the work of thy hand.

Isaiah 64:8
Here We Grow!

New buildings are not the only signs of new growth on The Mustard Seed’s campus. The Mustard Seed’s 7 ½ acres, located on Luckney Road, has recently grown to 10 ½ acres by the purchase of three acres which borders the current campus to the south. The new acreage, which is located on the corner of Hand Drive and Newport Road, will be very beneficial to the growth of The Mustard Seed. We will have the space to expand our current program as well as to explore ways in which God will lead us to provide a loving and Christian environment to others with developmental disabilities. New growth is exciting, and with it brings smiles and joy. The Seedsters are excited about the expansions taking place on campus and are even more excited about the new friends who will be joining their Mustard Seed family!

Give Gifts from the Mustard Seed
...now also open on the 2nd Saturdays

Mustard Seed ceramics make great gifts throughout the year and especially during the Holiday Season. They range in price from $8 to $60, which makes giving to friends, teachers, office members, church friends and many more quite easy. By giving gifts from The Mustard Seed, you are directly touching the lives of extraordinary people; 100% of ceramics sales go toward funding the program. Not only are these ceramics art therapy, but also account for about 15% of The Mustard Seed’s Annual Budget.

With great demand for Saturday Shopping Days at The Mustard Seed, the wish has been granted. In addition to Monday through Friday from 9:00 – 4:00, The Mustard Seed Gift Shop is now open from 10:00 – 3:00 on the Second Saturday of each month. November and December always bring additional Saturday Shopping Days which are publicized at www.mustardseedinc.org.

The Mustard Seed is a special place!

We invite you to come visit our campus to see first hand the gifts and talents of The Mustard Seed’s Seedsters.
Thank You Mayor Rhoads!

The Mustard Seed is forever grateful for the love and support of Mayor Gary Rhoads! It was a high honor to be chosen as the beneficiary of the 11th Annual Flowood Mayor’s Golf Tournament. Mayor Rhoads’ tournament raised over $43,000 which will directly impact the expansion of The Mustard Seed’s campus and its ministry. The support of Flowood and surrounding areas is very special to the Seedsters, staff and families of The Mustard Seed. We thank you for the countless volunteers who provided food to players, played on a golf team, watched holes, donated door prizes and goodie bags, generously gave the Hole-In-One prizes, gave tv, radio and print spots, as well as those who worked tirelessly to organize the fabulous event to benefit our special Seedsters. It is through your generosity that we are able to move mountains at The Mustard Seed.

Fall is in the air - the leaves are turning colors, the air is cooler and anticipation is growing for the seasons ahead. It is my pleasure as President of the Board of Trustees to share some good news about all of the wonderful things happening at the Mustard Seed.

The dedication of the staff and administration, on a daily basis, shows their desire to carry out the mission of the Mustard Seed in a loving, caring manner. As they seek “To provide a loving and protected Christian community and meaningful activities that allow the participants to fulfill the potential that God has created in them,” the Seedsters are protected, loved, and encouraged.

Through your gifts and donations, the Mustard Seed has been allowed to continue to grow in providing more opportunities to include more clients, or Seedsters, in the mission of the Mustard Seed.

As you may know, we have been involved in expanding the workshop and activities center. The expansion includes an additional workshop, two safe rooms, additional kiln space, and a covered walkway connecting the activities buildings to the new workshop. The additional space will allow for the inclusion of more clients.

When the construction project is completed, work will begin on a new entrance/driveway/parking project. The new approach to the Mustard Seed property will provide added curb appeal as well as safety for the Seedsters.

The Mustard Seed recently purchased property behind the Women’s Group Home. Decisions on how this property will be developed and used is still ongoing. The property offers many possibilities for the future.

The Gift Shop will be open on the second Saturday of each month to provide additional shopping opportunities. God is blessing the efforts and talents of the Seedsters as their artwork are recognized and sought.

Thank you for your continuing support and encouragement. May God bless us richly as we continue our mission and honor Him.

On behalf of our Seedsters and the Board of Trustees,

Judy Hicks
President, Mustard Seed Board of Trustees
The Full Circle by Tommi Bryant Jordan

My Mother, Ruby Bryant, thought of everyone but herself. All of my life, I never knew her to have a selfish bone in her body. She was always thinking of someone else and doing things for others. It seemed like nighttime was her time to work and get things done. She would stay up half of the night studying her Bible or sewing for one of us four girls. There was always something else on her mind, too.

Growing up, I knew all about my family, on both my Mother’s and Father’s sides. There were no relatives with special needs on either side. But, my Mother could not quit thinking of these Special Friends and their precious families. We had a huge Special Education Department at our church, Calvary Baptist Church. One of the teachers from the department asked my sister, Jo, to serve at a Christmas party. Jo went and had a wonderful time. She loved what she saw, so much that she majored in Special Education at USM. Camps were held in the summer, and Jo was always asked to be a counselor. She went, and she is still camping to this very day!

One year, the camp director, Roy Manning, needed a “Mama Counselor” over all the girl campers, so they asked Mother to go. I tagged along, too, at the ripe old age of 10 years. My sister, Suzie, was a seasoned veteran, having already served as counselor the year before. Our sister, Becky, was already married and having a family of her own! This was 1969, and we were at Camp Wahi during Hurricane Camille.

The more Mother worked with Special Friends, the more she loved it. She became the Training Union Director at Calvary on Sunday nights – it was a great success. Mother started calling the families of Special Friends, and the people came pouring in. So began the many outings, choirs, plays, zoo trips, pizza parties, hayrides, cook-outs, Vacation Bible Schools, mission projects, Christmas parties, and one huge trip to Ridgecrest Baptist Conference Center in 1973. Mother was hooked!! All of the Special Friends called her “Sweet Mama.” Our trips to camp, sponsored by Calvary, began in 1977 to Wall Doxy State Park. We spent the first week there, but Mother realized how far away it was. The following years were spent at Roosevelt State Park in Morton. We would leave Calvary early on Memorial Day morning and spend the week at camp. This continued until Mother and Jo changed locations of camp in 2003 to Central Hills Camp in Kosciusko. Camp is always a roaring success with all the Seedsters, Director Miss Jo, and memories of Sweet Mama. One of the newest Seedsters, Cheryl Jordan is going to the camp her grandmother started so many years ago!

Back to the origin of the Mustard Seed, the late 70’s led to many organizational meetings around the dining room table of many concerned parents and family members of the Special Friends. Where would they go and what would they do when their families passed away? There should be a safe, secure, Christian environment where they could live, worship, work, play, and lead productive lives. There was a place called The Baddour Center in Senatobia, MS. Mother called and arranged a date to go to Senatobia for a visit. We literally “loaded the bus” with loving and concerned family members, relatives, and our Special Friends. Once we got there, we saw what could be done for the Special Friends. We saw a chapel, beautiful residence facilities, workshops, and heard about their hand bell choir. This place was full!!

We needed a place similar to this in our area. Once we got home, more meetings were scheduled at local churches to include all of the interested family members. There were too many family members to fit around our dining room table now! Monthly meetings were held so parents could hear speakers and get together. The Special Friends were at every meeting, too. Mother made sure they had plenty to do when they came. She had all sorts of activities in store for them! Of course, when you were near Mother, you had to be eating!! She and many of the precious mothers baked, and they always had all kinds of yummy goodies at every meeting! I seem to remember a very special monthly meeting, when the parents and the Special friends gave me a lovely wedding shower! I had met my Mr. Right when we were both counselors at one of the camps – where else? Seven years after we married, we had a beautiful brown-eyed girl named Cheryl Ann. Cheryl was diagnosed with autism at a very young age. She was the apple of her NaNa’s eye!

Now, Mother had a very good idea what the families of the Special Friends had been going through all these years. She was right there with them!! Everything was
done for Special Friends, and maybe, for Cheryl in the future.

Once the diagnosis was given and reality set in, we knew our world would be a different place that not many understood. Learning and therapy began for Cheryl (and us)! She went from Hinds County Public Schools to Magnolia Speech School – where there was a class for autistic children – back to Hinds County Schools, and finally to St. Richard Special Kids. She went there for six years. We had a lovely graduation for her in May, and now we are here at the Mustard Seed!! Cheryl is a day student who comes five days a week! She absolutely loves it, and so do I. Now I know why my precious Mother was working so hard all those years ago!

Not long after Cheryl began at the Mustard Seed, I saw a gentleman who was picking up his son from the Day Program. He and his wife had been on that bus with us so long ago to Senatobia. I stopped and re-introduced myself. He said he remembered me, and I explained I had a daughter here! He couldn’t believe it! Truly, the work began by one of God’s humble servants has come full circle. Thank you, Mother!

No gift to the Mustard Seed is too small; every penny is very much appreciated and truly allows Seedsters to overcome obstacles and to focus on their abilities vs. their disabilities.
